Re: Writing the 1988 Residential Design Exam

Dear Jeff:

I would like to take this opportunity to thank you on behalf of the Nevada State Board of Architecture for all of your assistance and guidance in writing the 1988 Residential Design Exam. I am pleased to announce that three of the seven candidates who sat for the examination this year passed and will be licensed at the upcoming December Board meeting.

Again, my sincerest thanks and appreciation for your well spent time and energy.
